

Session 1: June 23-July 4

Week 1: Claus Oldenburg Week at Fine Arts Camp: Unleash Your Creativity!

Get ready for an exciting week of artistic exploration with Claus Oldenburg at Fine Arts Camp! This week, campers will dive into the world of hands-on art, creating unique air clay projects like malleable cakes, postcards, and more. Whether you're shaping a playful creation or experimenting with texture, you'll discover the endless possibilities of air clay.

But that's not all! Campers will also explore the relaxing and intricate world of Zentangle drawing. Tap into your mindfulness as you create beautiful, repetitive patterns that help calm the mind and ignite your creativity.

It's a perfect opportunity for campers to experiment with various art forms, sharpen their artistic skills, and bring home some amazing projects. Don't miss this fun, imaginative week full of hands-on creativity and inspiration!

Week 2: Pablo Picasso Week at Fine Arts Camp: Explore the World of Shapes and Creativity!

Step into the world of artistic innovation with Pablo Picasso Week at Fine Arts Camp! This week, campers will channel their inner artist by experimenting with shapes, sketching, and discovering the bold, abstract style of one of history's greatest artists.

Campers will craft unique cardboard faces inspired by Picasso's iconic portraits and dive into the world of 2D collage, combining colors, textures, and images to create striking compositions. Whether you're sketching out your ideas or layering materials for a dynamic collage, this week is all about exploring new artistic techniques and pushing the boundaries of creativity.

Perfect for young artists eager to experiment with different forms of art, Picasso Week offers a hands-on experience that will inspire and ignite passion for visual storytelling. Don't miss out on this exciting opportunity to learn from the master himself!

Session 2: July 7-July 18

Week 3: Antoni Gaudí Week at Fine Arts Camp: Create Beautiful Mosaics Like a Master!

Step into the imaginative world of Antoni Gaudí, the brilliant architect known for his stunning mosaics and architectural masterpieces! During Antoni Gaudí Week at Fine Arts Camp, campers will explore the art of mosaic-making, using a variety of materials to create vibrant, eye-catching designs.

From colorful tiles to glass, stones, and even recycled objects, campers will experiment with different materials to craft their own unique mosaics inspired by Gaudí's whimsical and nature-infused style. This hands-on week is perfect for young artists eager to learn the techniques of this legendary artist and express their creativity through stunning, one-of-a-kind mosaic art. Join us for a week of discovery and artistic expression, where each camper can create their own masterpiece while learning about the magic of Gaudí's world!

Week 4: Judith Leiber Bling Week at Fine Arts Camp: Sparkle, Shine, and Create!

Get ready for a dazzling week of creativity and sparkle at Judith Leiber Bling Week at Fine Arts Camp! Inspired by the iconic designer known for her glamorous, jeweled creations, this week will be all about turning everyday objects into fabulous, blinged-out masterpieces!

Campers will transform ordinary items like hair clips, cereal boxes, and even makeup into stunning, glittering works of art using a variety of sparkling materials. From rhinestones and beads to glitter and sequins, campers will learn how to add that perfect touch of sparkle and flair to everything they create.

Perfect for those who love all things shiny and glamorous, this week is all about self-expression through glitz and glamour. It's the ultimate opportunity to let your creativity shine—literally!

Session 3: July 21-August 1

Week 5: Georges Seurat Week at Fine Arts Camp: Create with Color and Precision!

Step into the world of pointillism with Georges Seurat Week at Fine Arts Camp! Inspired by the master of color and technique, Georges Seurat, campers will create stunning works of art using the method of pointillism—painting with tiny, precise dots of color.

This week, we're taking it to the next level by using buttons! Campers will explore the beauty of color, texture, and form as they arrange colorful buttons to form vibrant, pointillist-inspired images. It's a perfect chance to experiment with the meticulous style that made Seurat's work so iconic, while creating unique, tactile art pieces that pop with color.

Perfect for young artists who love to focus on detail and enjoy experimenting with new materials, this week offers an exciting journey into the world of fine art techniques and creative expression!

Week 6: Claude Monet Week at Fine Arts Camp: Explore the Magic of Watercolors!

Step into the serene world of Impressionism with Claude Monet Week at Fine Arts Camp! Inspired by the master of light and color, campers will learn the art of watercolor painting, capturing the beauty of nature just like Monet did in his iconic landscapes and water scenes. Throughout the week, campers will experiment with different watercolor techniques, exploring how colors blend and flow to create soft, atmospheric effects. From delicate flowers to tranquil water lilies, they'll have the chance to create their own Impressionist-style masterpieces while learning how to paint with the light, fluid touch that Monet was famous for.

This week is perfect for campers who love to experiment with color and enjoy working with watercolors. Join us for a peaceful and creative experience that will bring out the artist in you, just like Monet!

Session 4: August 4-August 15

Week 7: O'Keeffe & Van Gogh & Warhol Week at Fine Arts Camp: Exploring Flowers in 1D, 2D, and 3D!

This week, campers will immerse themselves in the colorful world of flowers, drawing inspiration from three iconic artists: Georgia O'Keeffe, Vincent van Gogh, and Andy Warhol. Campers will explore flowers in multiple dimensions—1D, 2D, and 3D—through a variety of mediums and techniques!

Starting with O'Keeffe's bold, close-up floral paintings, campers will learn to capture the intricate beauty of flowers in 1D sketches. They'll then explore van Gogh's textured, swirling brushstrokes in 2D, creating vibrant flower portraits in his signature expressive style. Finally, inspired by Warhol's pop-art approach, campers will transform their flowers into eye-catching, colorful 3D art using materials like paper, clay, and other creative resources.

This week is perfect for artists of all levels who love flowers and want to experiment with different artistic approaches across multiple dimensions. It's a chance to explore texture, color, and form in an exciting, hands-on way while learning from the masters of art!

Week 8: Chagall Week at Fine Arts Camp: Create Your Own Stained Glass Masterpiece!

Step into the colorful, dreamlike world of Marc Chagall during Chagall Week at Fine Arts Camp! Known for his vibrant, fantastical stained glass windows, Chagall's work comes to life through bold colors and emotional storytelling. This week, campers will dive into the art of stained glass, exploring how to use colors and light to create stunning, expressive designs.

Using various materials such as tissue paper, paints, and more, campers will create their own stained glass-inspired art pieces, experimenting with layering and light to bring their creations to life. Whether designing abstract patterns or vibrant, symbolic imagery, this week provides the perfect opportunity to play with color and shape while learning a classic artistic technique.

Ideal for campers who love vivid colors and want to experience the magic of creating their own stained glass art, Chagall Week is a chance to transform everyday materials into something truly extraordinary!
